BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TJR
Docket No: 1662-99
31 May 2000

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 23 May 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found you enlisted in the Marine Corps on 12 October 1978 at the age of 20. Your record reflects that you served for a year and six months without incident but on 24 April 1980 you received nonjudicial punishment (NJP) for disrespect and two specifications each of failure to go to your appointed place of duty and failure to obey a lawful order. The punishment imposed was forfeitures totalling \$200, reduction to paygrade E-1, and correctional custody for 30 days. The correctional custody was suspended for six months. On 17 November 1980 you received NJP for being incapacitated for duty due to your consumption of alcoholic beverages and were awarded forfeitures totalling \$100 and extra duty and restriction for 14 days. The forfeitures were suspended for two months.

Your record further reflects that on 26 March 1981 you were convicted by special court-martial (SPCM) of conspiracy, selling government property, and larceny. You were sentenced to confinement at hard labor for three months, forfeitures totalling \$999, reduction to paygrade E-1, and a bad conduct discharge (BCD).
